Dear Parents,

Today your child took part in the Yuba City Centennial Celebration! A coloring page was passed out to all students Kindergarten through 5th grades. We encouraged Yuba City teachers to take advantage of our wonderful 100 years of history and incorporate it into a lesson for the day as well as color the pages dispersed to students.

The pages colored celebrates not only Yuba City's Centennial Celebration but also the 150th birthday of the Yuba Sutter Fair. To help decorate the fair, these coloring pages will be displayed in the "School House" building at the Fair, taking place July 30 through August 3, 2008. Come to the Yuba Sutter Fair to see your child's work of art! If you have any questions, please contact : Nancy Geweke at the Yuba City Recreation Department, 822-4798 or ngeweke@yubacity.net
