

SPECIAL NOTICE

Precautions to address COVID-19 (a.k.a. the “Coronavirus”) will apply to this meeting. See below for additional details.

DECEMBER 8, 2021

REGULAR MEETING OF THE PLANNING COMMISSION

The Governor has declared a State of Emergency to exist in California as a result of the threat of COVID-19 (aka the “Coronavirus”). The Governor also issued Executive Order N-25-20, which directs Californians to follow public health directives including canceling large gatherings. The Executive Order also allows local legislative bodies to hold meetings via conference calls while still meeting State transparency requirements.

The Public’s health and well-being are the top priority for the City of Yuba City and you are urged to take all appropriate health safety precautions. To facilitate this process, the meeting will be available by:

- **Web Conference:** The meeting will be conducted live over the internet by PC or Smartphone. Members of the public can join the web-based virtual meeting. (See instructions below.)
- **Email:** You can email comments to the Secretary of the Commission at **developmentsservices@yubacity.net** any time before the meeting, or before the hearing is closed on the agenda item, and your comments will be read aloud by the Secretary. Please identify the Agenda item you wish to address in your comments.

To join the web base virtual meeting please click the link to sign up for the webinar being held December 8, 2021 at 6:00pm:

https://us06web.zoom.us/webinar/register/WN_8kBRupisS8OaPx9Ra4BB6g

or visit www.zoom.us and enter in the Meeting ID: 833 6640 7090

You will need to register for the teleconference. Once registered, a confirmation email with information on how to join the webinar will be sent to you and with audio instructions.

Questions or Comments? Please email: developmentsservices@yubacity.net

AGENDA

WEDNESDAY, DECEMBER 8, 2021

REGULAR MEETING PLANNING COMMISSION CITY OF YUBA CITY

6:00 P.M. – REGULAR MEETING

CHAIRWOMAN	• Michele Blake
VICE CHAIRWOMAN	• Jackie Sillman
COMMISSIONER	• John Shaffer
COMMISSIONER	• Lorie Adams
COMMISSIONER	• Stacy Brookman
COMMISSIONER	• Bhavin Singh Dale
COMMISSIONER	• Richard Doscher (Sutter Co. Rep)

1201 Civic Center Blvd
Yuba City, CA 95993

Wheelchair Accessible
♿

If you need assistance in order to attend the Planning Commission meeting, or if you require auxiliary aids or services, e.g., hearing aids or signing services to make a presentation to the Planning Commission, the City is happy to assist you. _____ Commissioner Adams
_____ Commissioner Brookman
_____ Commissioner Dale
_____ Commissioner Doscher (Sutter County Representative)

Pledge of Allegiance to the Flag

Public Comment on Items not on the Agenda

You are welcome and encouraged to participate in this meeting. Public comment on items not listed on the agenda will be heard at this time. Comments on controversial items may be limited and large groups are encouraged to select representatives to express the opinions of the group.

1. Written Requests

Members of the public submitting written requests, at least 24 hours prior to the meeting, will be normally allotted five minutes to speak.

2. Appearance of Interested Citizens

Members of the public may address the Planning Commission on items of interest that are within the City's jurisdiction. Individuals addressing general comments are encouraged to limit their statements to three minutes.

3. Agenda Modifications

4. Planning Commission Meeting Schedule

- December 22, 2021 meeting canceled
- January 12, 2022 meeting canceled

Approval of Minutes

5. Minutes from November 10, 2021

Business Item

6. Use Permit 21-04 to allow Regional Emergency Shelter Team (REST) to operate a continuous cold weather shelter at 715 King Avenue.

Recommendation: A. Conduct a Public Hearing and make the necessary findings to:

B. Adopt a Resolution to determine the project is Categorical Exempt from CEQA pursuant to CEQA Guidelines Section 15301, Existing Facilities, and approve Use Permit 21-04, subject to the Conditions of Approval, to allow Regional Emergency Shelter Team (REST) to operate a continuous cold weather shelter at 715 King Avenue (APN 51-296-006).

Future Agenda Items

Development Services Director Report

Report of Actions of the Yuba City Planning Commission/Sutter County Update

Adjournment

Persons dissatisfied with any decision of the Planning Commission may appeal such action to the City Council. Appeals, accompanied by a fee of \$788.93, must be filed with the City Clerk, 1201 Civic Center Boulevard, Yuba City, CA 95993 within 10 days of such action. If no appeal is filed within this time limit, the Planning Commission action becomes final. The exception to this is rezone requests. Please check with the Planning Division, 1201 Civic Center Boulevard, Yuba City, CA 95993 for the procedure. Mailed notices of the Council hearings will be accomplished in the same manner as the Planning Commission hearings unless additional notice is deemed necessary.

Call to Order

Chairwoman Blake called the meeting to order at 6:00 pm.

Roll Call

Commissioners in Attendance:

Chairwoman Michele Blake
Vice Chairwoman Jackie Sillman
Commissioner John Shaffer
Commissioner Lorie Adams (*arrived late*)
Commissioner Stacy Brookman
Commissioner Richard Doscher (Sutter County Representative)

Commissioners Absent:

Commissioner Bhavin Singh Dale

The Pledge of Allegiance was led by Vice Chairwoman Sillman.

Public Communication

You are welcomed and encouraged to participate in this meeting. Public comment is taken on items listed on the agenda when they are called. Public comments on items not listed on the agenda will be heard at this time. Comments on controversial items may be limited and large groups are encouraged to select representatives to express the opinions of the group.

1. Written Requests

Members of the public submitting written requests, at least 24 hours prior to the meeting, will be normally allotted five minutes to speak.

There were no written requests received.

2. Appearances of Interested Citizens

Members of the public may address the Planning Commission on items of interest that are within the City's jurisdiction. Individuals addressing general comments are encouraged to limit their statements to three minutes.

There were no public comments.

3. Agenda Modifications/Approval of Agenda

There were no agenda modifications.

4. Planning Commission Meeting Schedule

Cancel the Special Meeting on November 15, 2021 at 6:00 pm

Chairwoman Blake requested approval of the schedule:

Motion by: Commissioner Sillman

Second by: Commissioner Brookman

Vote: The vote passed 5-0, with Commissioner Dale and Adams absent

Approval of Minutes

5. Minutes from September 22, 2021

Chairwoman Blake requested approval of the minutes:

Motion by: Commissioner Doscher

Second by: Commissioner Shaffer

Vote: The vote passed 5-0, with Commissioner Dale and Adams absent

Business Item

6. Tentative Subdivision Map (TSM) 21-01, Henson Ranch, creating 96 single-family residential lots on 18.51 acres, with a 6.63-acre remainder.

- Recommendation:
- A. Conduct a Public Hearing and make the necessary findings to:
 - B. Adopt a Resolution approving TSM 21-01, including the Mitigated Negative Declaration prepared for TSM 21-01, as detailed in the Environmental Assessment (EA) 21-01 dated October 20, 2021, subject to the proposed Conditions of Approval and Mitigation Measures.

Item was called and staff made a presentation.

Chairwoman Blake opened the Public Hearing.

Public comment: Sean Minard, MHM Engineering
Alejandro Becerra, 421 Hooper Road
Dave Friler, 3411 Colonial Court
Keith Churchill, 1139 Hooper Road
Alex Becerra, 421 Hooper Road

Public comments received, Chairwoman Blake closed the Public Hearing.

Motion by: Commissioner Doscher

Second by: Commissioner Sillman

Vote: The vote passed 6-0, with Commissioner Dale absent

Additional condition to be added regarding a good neighbor fence around 1139 Hooper Road per request by the Planning Commission:

Condition of Approval #55: The Developer shall construct a solid, six-foot-tall, good neighbor style wood fence, installed along the property line(s) adjacent to Assessor Parcel Number 62-082-010. Construction of the fence is to be completed prior to issuance of a certificate of occupancy for lots 22, 23, 24, 25, 31, and 32, and or as approved by the Development Services Director.

7. Tentative Subdivision Map 19-02, West Sanborn Estates

- Recommendation:
- A. Conduct a Public Hearing and make the necessary findings to:
 - B. Adopt a Resolution approving TSM 19-02, including the Mitigated Negative Declaration prepared for TSM 19-02, as detailed in the Environmental Assessment (EA) 19-03 dated October 20, 2021, subject to the proposed Conditions of Approval and Mitigation Measures.

Item was called and staff made a presentation.

Chairwoman Blake opened the Public Hearing.

Public comment: Steven Howard, 2060 Bogue Road
Martin Mahmoudi, 950 Sanborn Road
Edward Jeffrey, 2070 Bogue Road
Sean Minard, MHM Engineering

Public comments received, Chairwoman Blake closed the Public Hearing.

Motion by: Commissioner Brookman

Second by: Commissioner Shaffer

Vote: The vote passed 6-0, with Commissioner Dale absent

8. Use Permit (UP) 21-03 to allow the use of an existing residential building to convert a portion of the residence for home occupational use located at 622 Bridge Street.

- Recommendation:
- A. Conduct a Public Hearing and make the necessary findings to:
 - B. Determine the project is categorically exempt from CEQA pursuant to CEQA Guidelines Section 15301(n), Existing Facilities, and approve Use Permit 21-03 to allow the use of an existing residential building to convert a portion of the residence for home occupational use located at 622 Bridge Street, subject to the Conditions of Approval.

Item was called and staff made a presentation.

Staff updated the recommendation as follows:

- A. Conduct a Public Hearing and make the necessary findings to:
- B. Determine the project is categorically exempt from CEQA pursuant to CEQA Guidelines Section 15301(n), Existing Facilities, and approve Use Permit 21-03 to allow the use of an existing residential building to convert a portion of the residence for home occupational use *and a business sign* located at 622 Bridge Street, subject to the Conditions of Approval.

Chairwoman Blake opened the Public Hearing.

Written comment received from Thomas Williams, President Yuba River Molding and Millwork.

No additional public comment received, Chairwoman Blake closed the Public Hearing.

Motion by: Commissioner Shaffer

Second by: Commissioner Adams

Vote: The vote passed 6-0, with Commissioner Dale absent

Future Agenda Items

Secretary Moody provided the following potential agenda items for the upcoming Planning Commission meetings:

- River's Edge Apartments – Development Plan, Development Agreement
- REST – Use Permit
- Homekey 2.0 – Zoning Amendment

Development Services Director Reports

- New Commercial Development: Five Below, Burlington, Starbucks (opening soon), Burger King started building, Homes2Hotel, Harter Marketplace (ARCO)
- New Residential Development: Yuba Crossing – model homes, Harter North and South subdivisions

Report of Actions of the Planning Commission/Sutter County Update

Commissioner Doscher provided an update for the Sutter County Planning Commission. The Commission passed a zoning code text amendment in regard to residential development standards.

Adjournment

Chairwoman Blake adjourned the meeting at 7:44 pm.

**CITY OF YUBA CITY
PLANNING COMMISSION
STAFF REPORT**

Meeting Date: December 8, 2021
To: Chair and Members of the Planning Commission
From: Development Services Department
Presentation By: Benjamin Moody, Development Services Director

Subject: **Use Permit (UP) 21-04 – Application to operate a continuous cold weather shelter at 715 King Avenue / Cornerstone Church through May 2022 to mitigate COVID-19 impacts.**

Recommendation: A. Conduct a Public Hearing and make the necessary findings to;
B. Adopt a Resolution to determine the project is Categorically Exempt from CEQA pursuant to CEQA Guidelines Section 15301, Existing Facilities, and approve Use Permit 21-04, subject to the Conditions of Approval, to allow Regional Emergency Shelter Team (REST) to operate a continuous cold weather shelter at 715 King Avenue (APN 51-296-006).

Applicant/Owner: Regional Emergency Shelter Team (REST), Nick Anderson, Director

Project Location: 715 King Avenue, Assessor's Parcel Number 51-296-006

Project Number: Use Permit 21-04

**General Plan and
Specific Plans:** Low Density Residential

Zoning: One-Family Residence District, R-1

Purpose:

To approve Use Permit 21-04 to allow REST to operate a continuous cold weather shelter at 715 King Avenue through May 2022.

Project Proposal:

The Regional Emergency Shelter Team (REST), reached out to the City in the fall of 2021 to request permission to use Cornerstone Church's property at 715 King Avenue to provide services in light of the ongoing COVID-19 pandemic through April 2, 2022.

Bi-county Health Officer Dr. Luu recommends the use of a single facility for REST's shelter for the winter of 2021-2022, which instigated the request from REST to provide services at 715 King Avenue through April 2, 2022. The request is based on establishing one location, where COVID-19 mitigation protocols can be systematically established to help mitigate the effects of COVID-19 and to minimize exposures to staff, volunteers, and shelter guests.

Although REST has requested the cold weather shelter to be open until April 2, 2022, staff is recommending extending the timeline until May 2022 to allow for flexibility. Any additional time that may be needed for the cold weather shelter shall be approved by the Planning Commission.

Background

In response to a long-standing need for cold weather shelters for homeless families, the City Council authorized the reuse of old Fire Station 4 as a cold weather shelter for the 2009 winter season. The Cold Weather Family Shelter was opened between November 15, 2009 and April 15, 2010 and was administered by the Yuba-Sutter Christian Ministerial Association ("Association"). The Association was comprised of a collection of local churches from Yuba and Sutter Counties.

In 2010, the Regional Emergency Shelter Team (REST) (formerly known as the Association) approached the City with new plans for continuing the cold weather shelter program for homeless families which did not include the reuse of old Fire Station 4. Instead, participating churches in the region planned to rotate the responsibility of hosting homeless families at their respective facilities for a prescribed period of time, with specific performance measures adopted as part of a Zoning Code Amendment in November 2010. In November of 2011, the ordinance was updated to expand the operational period from November 1st through April 30th to provide for increased demand for service and to help address the additional time needed for organizing volunteers.

The REST partners with participating churches, congregations and other community and faith-based organizations to provide cold weather shelter and warm meals to families, single women and couples who are homeless in the Yuba-Sutter area.

REST targets those who are seeking emergency housing due to their situation of being homeless or what is termed as "precariously housed" in the Yuba-Sutter region. REST fills over 2,800 beds each winter providing an equal number of hot evening meals and morning breakfasts. The 2017-2018 season had a nightly average of 23 guests and assisted a total of 110 individual people.

In fall of 2020 the Planning Commission approved Use Permit (UP) 20-05 in light of the COVID-19 pandemic to allow REST to operate a continuous cold weather shelter at 715 King Avenue through April 3, 2021.

Property Description:

The property is a 0.17-acre parcel, comprised of a 1,772 square foot single-family residence that has been converted for use by the Church for various activities, typically involving meetings and

classes. The property is directly adjacent to and has been incorporated into the Cornerstone Church facility. Access to the facility primarily occurs through the back of the building by a sidewalk to the church's parking area. The parking area has approximately 40 onsite parking spaces.

The property is well maintained and blends into the neighborhood. The Fire Marshall and Chief Building Official have reviewed the proposed site location (Attachment 2) to provide REST with information regarding operational criteria.

The following table provides the General Plan land use and Zoning for adjacent properties:

<i>Project and Bordering Site Information</i>			
	General Plan Land Use Classification	Zoning	Existing Land Use
Project Site	Low Density Residential	R-1 (Single Family)	Church / Converted Single Family Residence
<i>North</i>	Low Density Residential	R-1 (Single Family)	Single Family Homes
<i>East</i>	Low Density Residential	R-1 (Single Family)	Church / Converted Single Family Residence
<i>West</i>	Low Density Residential	R-1 (Single Family)	Single Family Homes
<i>South</i>	Low Density Residential	R-1 (Single Family)	Single Family Homes

The parcel is designated in the General Plan as Low Density Residential which provides for residential development of 2-8 units per gross acre. The majority of planned land in the City has this Low-Density Residential designation, which is the typical land use for single-family houses. However, this category also provides for parks, day care, civic and institutional uses such as churches.

The property is in the (R-1) One-Family Residence District, which is consistent with the Low-Density Residential General Plan designation. The R-1 zone district allows for churches and large residential care homes subject to the City's Use Permit process, and rotating cold weather shelters subject to conforming to the City's Municipal Code standards and the Zoning Clearance process. Ordinance Section 8-5002(d) guides this zoning clearance process related to cold weather shelters:

(d) Rotating church cold weather shelters.

Existing churches shall be allowed to operate a rotating cold weather shelter program from within their facilities during the months of November 1 through April 30 through the zoning clearance process, subject to the following standards:

- (1) The maximum number of participants that can stay at a single church facility is 30 people.*
- (2) The maximum length of stay at a participating church facility by an eligible*

participant is seven days. Once a church facility has hosted a cold weather shelter for seven days, the church shall wait 21 days before serving as a cold weather shelter again.

- (3) Eligible participants at the shelter(s) shall be oriented to families.*
- (4) Eligible participants shall be brought to the participating church facility not before 6:00 p.m. and shall depart the facility by 7:30 a.m. the next day.*
- (5) As part of the zoning clearance process, participating churches in the rotating cold weather shelter program shall submit an operations plan that provides the following information:*
 - (i) Screening process for eligible participants.*
 - (ii) Occupancy schedule.*
 - (iii) No loitering policy.*
 - (iv) Transportation plan.*

Analysis:

Due to the need for cold weather shelters in our area, recognition of the COVID-19 pandemic's impacts on operations to maintain safety, the established City performance measures related to the operation of cold weather shelters, the REST's historical ability to operate in compatibility with neighboring uses, and being limited to one season, staff feels that the requested proposal is acceptable.

The proposed Use Permit will be valid until April 2, 2022, subject to the Conditions of Approval. The applicant may apply for one two-year extension by submitting a written request to the Development Services director.

Environmental Determination:

City staff have performed a preliminary Environmental Assessment of this project and have determined it falls within the Categorical Exemption set forth in CEQA Guidelines section 15301 Existing Facilities, Class 1 with the basis that there will be negligible expansion of an existing use regarding the operation of an existing private structure. Furthermore, Staff has determined that none of the exception to Categorical Exemptions set forth in the CEQA Guidelines, section 15300.2 apply to this project.

Recommended Action:

Conduct a public hearing and make the necessary findings to:

Environmental:

- A.** Determine the project is categorically exempt from CEQA pursuant to CEQA Guidelines Section 15301 Existing Facilities, Class 1.

Use Permit 21-04:

Based upon analysis of the Use Permit application, and subject to the applicant's compliance with the Conditions of Approval, staff concludes that the following required

findings of Section 8-5.7003(d) of the Zoning Regulations can be made (*the required findings are in italics*):

1. *The proposal is consistent with the General Plan.*

The Low Density Residential General Plan designation and Zoning Code allow for civic and institutional uses such as churches and cold weather shelters.

2. *The site for the proposed use is adequate in size and shape to accommodate said use, public access, parking and loading, yards, landscaping and other features required by this chapter.*

The site and adjacent church facility are adequate in size to facilitate said use. The zoning code and maximum building occupancy requirements will regulate the maximum number of allowed participants at the facility. Additionally, the adjacent church facilities provide capacity for parking, food preparation/serving and administrative needs.

3. *The streets serving the site are adequate to carry the quantity of traffic generated by the proposed use.*

While the extended use is expected to attract more traffic to the Church at alternate times, the increase is not expected to cause a reduction of the level of service of adjacent streets.

4. *The site design and the size and design of the building will complement neighboring facilities.*

The proposed use will utilize an existing building and facility.

5. *The establishment or operation of the use or building applied for will not be detrimental to the health, safety, peace, comfort, and general welfare of persons residing or working in the vicinity of the proposed use or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the City.*

The proposed use will be required to meet all building code and other City ordinances and standards related to cold weather shelters. Therefore, there should be no physical threats to any person or property. Additionally, the Conditions of Approval establish use criteria and duration that will ensure that the peace, comfort, and general welfare of residences in the vicinity is maintained.

6. *At least one of the findings found in Title 6, Chapter 9, Article 6 of the Municipal Code is satisfied.*

The project satisfies the following finding:

- (a) The facilities of the State plan of flood control or other flood management facilities protect the property to the urban level of flood protection in urban and urbanizing areas or the national Federal Emergency Management Agency standard of flood protection in nonurbanized areas

B. Adopt a Resolution to determine the project is Categorical Exempt from CEQA pursuant to CEQA Guidelines Section 15301, Existing Facilities, and approve Use Permit 21-04,

subject to the Conditions of Approval, to allow Regional Emergency Shelter Team (REST) to operate a continuous cold weather shelter at 715 King Avenue (APN 51-296-006).

PLANNING COMMISSION RESOLUTION NO. PC21-19

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF YUBA CITY TO DETERMINE THE PROJECT IS CATEGORICALLY EXEMPT FROM CEQA PURSUANT TO CEQA GUIDELINES SECTION 15301, EXISTING FACILITIES, AND APPROVE USE PERMIT 21-04, SUBJECT TO THE CONDITIONS OF APPROVAL, TO ALLOW REGIONAL EMERGENCY SHELTER TEAM (REST) TO OPERATE A CONTINUOUS COLD WEATHER SHELTER AT 715 KING AVENUE (APN 51-296-006)

WHEREAS, Yuba City Municipal Code Section 8-5.7003, provides the process by which permits are obtained, findings, the permit review process, as well as the appeals process for any denials; and

WHEREAS, Yuba City Municipal Code Section 8-5.7101, provides the process for amendments to permits and variances that exist in the Yuba City Municipal Code; and

WHEREAS, the applicant submitted an application for Use Permit 20-05 in Fall 2020 to allow Regional Emergency Shelter Team (REST) to operate a continuous cold weather shelter at 715 King Avenue due to the COVID-19 pandemic; and

WHEREAS, the Planning Commission conducted a duly noted public hearing on December 17, 2020 and approved Use Permit 20-05 to allow REST to operate a continuous cold weather shelter at 715 King Avenue through April 3, 2021, subject to the Conditions of Approval; and

WHEREAS, due to the ongoing impacts of the COVID-19 pandemic, and a recommendation from Bi-county Health Officer Dr. Luu's recommendation, the applicant submitted an application for proposed Use Permit 21-04 on October 20, 2021 to allow Regional Emergency Shelter Team (REST) to operate a continuous cold weather shelter at 715 King Avenue for the 2021-2022 winter season; and

WHEREAS, the property is located in the R-1, Single Family Residence District, which is consistent with the existing General Plan designation of Low Density Residential; and

WHEREAS, Staff have performed a preliminary environmental assessment of this project and have determined that it falls within the Categorical Exemption set forth in CEQA Guidelines section 15301 Existing Facilities, Class 1 with the basis that there will be negligible expansion of an existing use regarding the operation of an existing private structure. Furthermore, Staff has determined that none of the exception to Categorical Exemptions set forth in the CEQA Guidelines, section 15300.2 apply to this project; and

WHEREAS, on December 8, 2021, the Planning Commission conducted a duly noticed public hearing on Use Permit 21-04, at which time it received input from City Staff, the applicant; public comment portion was opened, and public testimony and evidence, both written and oral, was considered by the Planning Commission, after which public testimony was closed; and

WHEREAS, the Planning Commission has reviewed the associated documents prepared for the project, and all of the evidence received by the Planning Commission; and

WHEREAS, after deliberation and consideration of all relevant items, the Planning Commission now desires to determine the project is categorically exempt from CEQA pursuant to CEQA Guidelines Section 15301, and approve Use Permit 21-04, subject to conditions, to allow REST to operate a continuous cold weather shelter at 715 King Avenue through May 2022.

NOW, THEREFORE, BE IT RESOLVED by the Planning Commission of the City of Yuba City approves Use Permit 21-04, subject to the Conditions of Approval, to allow Regional Emergency Shelter Team to operate a continuous cold weather shelter at 715 King Avenue and as follows:

1. Recitals. The Planning Commission hereby finds that all of the facts set forth in the recitals above are true and correct and incorporated herein.
2. CEQA. Pursuant to the authority and criteria contained in the California Environmental Quality Act (CEQA) of 1970, the City, as the Lead Agency, has analyzed the proposed project have determined that it falls within the Categorical Exemption set forth in CEQA Guidelines section 15301 Existing Facilities, Class 1 with the basis that there will be negligible expansion of an existing use regarding the operation of an existing private structure. Furthermore, Staff has determined that none of the exception to Categorical Exemptions set forth in the CEQA Guidelines, section 15300.2 apply to this project.
3. Findings. Based upon analysis of the Use of the Use Permit application, and subject to the applicant's compliance with the Conditions of Approval, staff concludes that the following required findings of Section 8-5.7003(d) of the Zoning Regulations can be made:
 1. The proposal is consistent with the General Plan.
 2. The site for the proposed use is adequate in size and shape to accommodate said use, public access, parking and loading, yards, landscaping and other features required by this chapter.
 3. The streets serving the site are adequate to carry the quantity of traffic generated by the proposed use.
 4. The site design and the size and design of the building will complement neighboring facilities.
 5. The establishment or operation of the use or building applied for will not be detrimental to the health, safety, peace, comfort, and general welfare of persons residing or working in the vicinity of the proposed use or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the City.
 6. At least one of the findings found in Title 6, Chapter 9, Article 6 of the Municipal Code is satisfied.
4. Evidence.
 1. The Low Density Residential General Plan designation and Zoning Code allow for civic and institutional uses such as churches and cold weather shelters.
 2. The site and adjacent church facility are adequate in size to facilitate said use. The zoning code and maximum building occupancy requirements will regulate the maximum number of allowed participants at the facility. Additionally, the adjacent church facilities provide capacity for parking, food preparation/serving and administrative needs.
 3. While the extended use is expected to attract more traffic to the Church at alternate times, the increase is not expected to cause a reduction of the level of service of

adjacent streets.

4. The proposed use will utilize an existing building and facility that complements the existing neighboring facilities.
 5. The proposed use will be required to meet all building code and other City ordinances and standards related to cold weather shelters. Therefore, there should be no physical threats to any person or property. Additionally, the Conditions of Approval establish use criteria and duration that will ensure that the peace, comfort, and general welfare of residences in the vicinity is maintained.
 6. The project satisfies the following finding:
 - a. The facilities of the State plan of flood control or other flood management facilities protect the property to the urban level of flood protection in urban and urbanizing areas or the national Federal Emergency Management Agency standard of flood protection in nonurbanized areas
5. Certification. The Secretary shall certify to the adoption of the Resolution and shall transmit copies of the same to the applicant.
6. Effective Date of Resolution. This Resolution shall become effective immediately.

The foregoing Resolution was duly and regularly introduced, passed and adopted by the Planning Commission of the City of Yuba City at a special meeting thereof held on December 8, 2021 by the following vote:

715 KING AVENUE, YUBA CITY, CA**

NOTICE TO PROJECT APPLICANT

In accordance with the provisions of Government Code Section 66020(d)(1), the imposition of fees, dedication, reservations or exactions for this project are subject to protest by the project applicant at the time of approval or conditional approval of the development or within ninety (90) calendar days after the date of imposition of fees, dedications, reservation, or exactions imposed on the development project. This notice does not apply to those fees, dedications, reservations, or exactions which were previously imposed and duly noticed; or, where no notice was previously required under the provisions of Government Code Section 66020(d)(1) in effect before January 1, 1997.

IMPORTANT: PLEASE READ CAREFULLY

Please note that this project is subject to a variety of discretionary conditions of approval. These include conditions based on adopted City plans and policies, those determined through the use permit review and environmental assessment essential to mitigate adverse effects on the environment including the health, safety, and welfare of the community, and recommended conditions for development that are not essential to health, safety, and welfare, but would on the whole enhance the project and its relationship to the neighborhood and environment.

Discretionary conditions of approval may be appealed. All code requirements, however, are mandatory and may only be modified by variance, provided the findings can be made.

All discretionary conditions of approval will ultimately be deemed mandatory unless appealed by the applicant to the City Council within 10 days after the decision by the Planning Commission. In the event you wish to appeal the Planning Commission's decision or discretionary conditions of approval, you may do so by filing a written appeal with the City Clerk. The appeal shall state the grounds for the appeal and wherein the Commission failed to conform to the requirements of the zoning ordinance. This should include identification of the decision or action appealed and specific reasons why you believe the decision or action appealed should not be upheld.

Approval of this use permit shall be considered null and void in the event of failure by the applicant and/or the authorized representative, architect, engineer, or designer to disclose and delineate all facts and information relating to the subject property and the proposed development.

Approval of this use permit may become null and void in the event that development is not completed in accordance with all the conditions and requirements imposed on this use permit, the zoning ordinance, and all City standards and specifications. This use permit is granted, and the conditions imposed, based upon the application submittal provided by the applicant, including any operational statement. The application is material to the issuance of this use permit. Unless the conditions of approval specifically require operation inconsistent with the application, a new or revised use permit is required if the operation of this establishment changes or becomes inconsistent with the application. Failure to operate in accordance with the conditions and

requirements imposed may result in revocation of the use permit or any other enforcement remedy available under the law. The City shall not assume responsibility for any deletions or omissions resulting from the use permit review process or for additions or alterations to any construction or building plans not specifically submitted and reviewed and approved pursuant to this use permit or subsequent amendments or revisions. These conditions are conditions imposed solely upon the use permit, and are not conditions imposed on the City or any third party. Likewise, imposition of conditions to ensure compliance with federal, state, or local laws and regulations does not preclude any other type of compliance enforcement.

These conditions are applicable to any person or entity making use of this use permit, and references to “developer” or “applicant” herein also include any applicant, property owner, owner, leasee, operator, or any other person or entity making use of this use permit.

CONDITIONS OF APPROVAL

1. The applicant/property owner agrees to defend, indemnify and hold harmless the City, its officers, agents and employees, from any and all claims, damages, liability or actions arising out of or connected with this Agreement, except to the extent such liabilities are caused by actions of the City.
2. Maximum participants allowed at the facility shall meet all applicable Building and Fire Codes related to the facility and/or not exceed 30 participants.
3. The applicant shall coordinate with the Yuba City Fire Department to coordinate a time for an inspection to maintain egress, smoke alarms, and rescue windows.
4. Operations are to adhere to Yuba City Municipal Code Section 8-5.5112 – Rotating church cold weather shelter:
 - (c) Eligible participants at the shelter(s) shall be oriented to families.
 - (d) Eligible participants shall be brought to the participating church facility not before 6:00 p.m. and shall depart the facility by 7:30 a.m. the next day.
 - (e) As part of the zoning clearance process, participating churches in the rotating cold weather shelter program shall submit an operations plan that provides the following information:
 - (1) Screening process for eligible participants.
 - (2) Occupancy schedule.
 - (3) No loitering policy.
 - (4) Transportation plan.
5. All parking associated with the shelter is to utilize Cornerstone’s Church parking facilities. No on-street parking.

October 6, 2021

To: Benjamin Moody
Development Services Director
City of Yuba City

Dear Mr. Moody,

Regional Emergency Shelter Team (REST) would like to thank you for supporting its service of some of Yuba City's most vulnerable residents. With permission from the City of Yuba City and the Yuba City Planning Commission, REST provided emergency shelter for five months during the winter of 2020-2021 at 715 King Ave. Yuba City, CA 95991. Given the continuing public health advisories and situation related to the ongoing COVID-19 pandemic, REST would like to request an extension to the permission granted in order to provide shelter this winter at the same fixed location. REST plans to provide emergency shelter from November 29, 2021 until April 2, 2022.

Bi-county Health Officer Dr. Luu recommends the use of a single facility for REST's shelter for the winter of 2021-2022. Reasons for this include fewer exposures of people and locations as compared to REST's typically rotating shelter model. This will minimize chances of exposure and allow for simpler contact tracing and quarantining in the case of any COVID cases related to the shelter. REST's Board of Directors agrees with Dr. Luu that a fixed shelter location for the winter of 2021-2022 would be the best way to safeguard the health of the community during the ongoing COVID-19 pandemic. Cornerstone Church, owner of the property at 715 King Ave., states that the property is available for REST's use once again this winter. In addition to increasing health and safety, the fixed shelter arrangement also provides benefits to the City of Yuba City such as providing additional emergency shelter beds within the city and giving local law enforcement a place to take women and families who they encounter in need of shelter.

Thank you for reviewing this request. If you have any questions or would like to discuss this further, please contact me at 530-683-2274 or restdirector.ys@gmail.com. Thank you for supporting REST and those we serve during this unprecedented time.

Sincerely,

Nick Anderson
Director
Regional Emergency Shelter Team

*"Come unto Me all who are weary and burdened and I will give you rest."
