SUBJECT: Yuba City Basin Storm Water Resource Plan: Summary of Comments Received on the Public Draft Storm Water Resource Plan

Dear Mr. Dhaliwal:

This letter presents the summary of the review/comment solicitation and the responses to comments received on the Public Draft of the Yuba City Basin (YCB) Storm Water Resource Plan (SWRP).

REVIEW/COMMENT SOLICITATION

The Public Draft SWRP was made available for review from June 5, 2018 to July 4, 2018 to the public, Technical Advisory Committee (TAC), and Stakeholders through the City of Yuba City's (City) SWRP website at www.yubacity.net/stormwater and a hard copy available at the City Hall's front desk. The solicitation of comments included:

- An email sent to the TAC, stakeholders, and interested public on June 5, 2018.
- An email sent to 14,151 email addresses in the City's general email list on June 5, 2018.
- A flyer posted on the City's Facebook page on June 5, 2018.
- An email sent to Nick Ramos and Guadalupe Rivera, Sutter County representatives, and Eric Wedemeyer, the coordinator for the North Sacramento Valley Integrated Regional Watershed Management group, on June 11, 2018.
- An email was sent to Elizabeth Lee, the City's contact with the Central Valley Regional Water Quality Control Board, on June 11, 2018.

RESPONSES TO COMMENTS

Table 1 presents the comments and the project team's responses.

Table 1. Response to Comments on Public Draft SWRP			
No.	Name	Comment	Response
1	Anonymous	Document is too long to read.	The document length is a result of providing sufficient information to meet multiple State requirements. The executive summary of the document was written to provide a relatively concise summary of the key aspects of the SWRP. The executive summary also was organized to direct the reader to the corresponding section in the full report, if the reader is interested in more detail.
2	Larry Walker Associates	An appendix is needed for the document called "Trash Rack Selection Process"	This document was added into Appendix 5D in Chapter 5.
