

OFF STREET PARKING LAYOUT

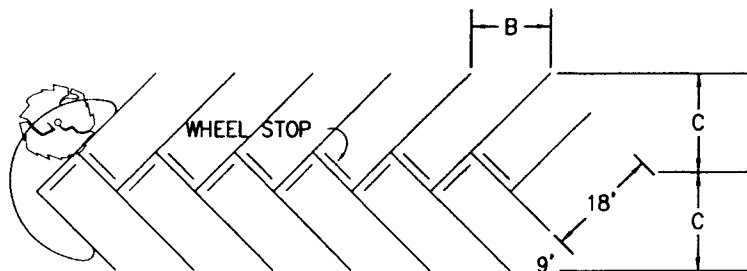

NOTE: In residential districts not more than 35% of all required parking spaces may be reduced to 7'-6" in width and 16' in length, and such spaces shall be dispersed throughout the parking lot and marked as compact car parking only. The resultant area saved is encouraged to be used for landscaping.

* SEE ZONING CODE

DIMENSION TABLE

	PARALLEL	30°	45°	60°	90°
TURNAROUND	A		17'	14'	14'
