Parks and Recreation Department  
Staff Report**

DATE: December 19, 2006  
TO: Mayor and Members of the City Council  
FROM: G.M. "Skip" King, Parks & Recreation Director *gmk*

**SUMMARY**

**SUBJECT:** Submission of re-certification application for Tree City USA Designation

**RECOMMENDATION:** Adopt Resolution authorizing the City to submit an application for re-certification to the National Arbor Day Foundation for consideration of the City continuing its designation as a Tree City USA community.

**ALTERNATIVE:** None.

**FISCAL IMPACT:** None. Selection as a Tree City USA community is based, in part, on the annual expenditure for tree-related programs and services within a community (i.e. tree crew manpower costs, tree purchases, equipment, etc.).

---

The City staff is requesting that the City Council authorize the submission of and application for re-certification to the National Arbor Day Foundation for consideration of Yuba City maintaining its designation as a Tree City USA community.

For the past seven years, the City of Yuba City has earned the designation of Tree City USA community based upon: 1) having an annual Arbor Day observance; 2) spend at least \$2.00 per capita on tree-related programs; 3) have a tree ordinance, and; 4) have a tree advisory board, which is the Parks & Recreation Commission. This designation says a lot about the quality of life and planning standards of a community.

The City's efforts to expand and maintain its urban forest continues on, and the City staff would like to assure that the organization's efforts continue to be recognized. As such, we are requesting that the City Council again adopt a Resolution authorizing the City to submit an application for re-certification to the National Arbor Day Foundation for consideration of the City continuing its designation as a Tree City USA community. Communities who have received the designation must submit an application for re-certification on an annual basis to continuity with their Tree City USA designation.
