Background:

On June 2, 2009, Council awarded the Queens Avenue and Gray Avenue Signal Project to Pacific Excavation, Inc., in the amount of their bid of \$274,115. With the award, Council identified \$27,412 for contingency costs, resulting in a total project cost of \$301,527.

With acceptance of the improvements, the City will become responsible for the normal maintenance of the traffic signal, which is funded through gas tax funds.
