Background:

The Sacramento Area Council of Governments (SACOG) is an association of Sacramento region governments formed from the six area counties— El Dorado, Placer, Sacramento, Sutter, Yolo and Yuba—and the 22 member cities. Yuba City has been a member since the organization of SACOG in 2003.

SACOG provides transportation planning and funding for the region, and serves as a forum for the study and resolution of regional issues. In addition to preparing the region's long-range transportation plan, SACOG approves the distribution of transportation funds, affordable housing in the region and assists in planning for transit and bicycle networks.

Analysis:

One of the primary functions of SACOG is the distribution of the regional transportation funds between the member agencies. Yuba City has benefited from being part of SACOG and recently the staff of SACOG is recommending providing the City with approximately \$5.0 million of additional funds for our transportation needs. SACOG has been very supportive of the City's efforts for the replacement of the Fifth Street Bridge and other future transportation improvements planned within the City. The attached resolution confirms our commitment to SACOG.

Fiscal Impact: None on City
