Timothy Hayes

### **Public Works**

- **Bridge St. Storm Drain:**

The City's contractor, Sutter Constructors, has completed the paving and trench restoration on Bridge St. between Plumas and Shasta St. The contractor is in the process of raising the storm drain manhole lids and repairing damaged pavement delineation. Early next week the City will meet with Sutter Constructors for the final walk through inspection.

- **Slurry Seal Contract:**

The City's contractor California Pavement Maintenance Company began slurry sealing residential streets June 1<sup>st</sup> completing a total of nine (9) center line miles. The slurry seal portion of the contract was completed Friday, June 8<sup>th</sup>. Over the next week traffic markings will be replaced to complete the contract.

- **Shanghai Bend Park:**

City crews built a gravel parking lot on City property at the end of Shanghai Bend Road, adjacent to the levee. Additionally, we have installed a rock fence to direct vehicular access away from the residences. Discussions are underway with State Fish and Game to secure State funding to pave the parking lot and the access road to the park.
