#### **Utilities Department**

- The services of Jones & Stokes and TBWB Strategies have been engaged to help the City better understand the needs and desires of residents who receive water from the groundwater systems. The team will help spearhead a new public education, outreach and feedback program designed to inform residents about the options for improving water quality and provide direction to the city on the best course of action.

#### **Yuba City Economic Development Advisory Group**

- The first meeting of the Yuba City Economic Development Advisory Group is scheduled for 4 p.m. on Thursday, March 13, at the City's Wastewater Treatment Plant at 302 Burns Drive. The Group consists of members with a wide array of business backgrounds. The public is invited.
