Comcast Scholarships

- California high school seniors are receiving a helping hand for college in the form of \$1,000 scholarships from the Comcast Foundation. The 2008 Comcast Leaders and Achievers® Scholarship Program, one of the Comcast Foundation's signature community investment programs, recognizes 173 California students who have demonstrated leadership skills, academic achievement, and a commitment to community service.

El Margarita – Spirit Drive Street Light Project

- The Public Works Department is requesting bids for the El Margarita Road\Spirit Drive Street Light Project. In general, the contract involves placing an electrical service pedestal, and providing conduit and conductors to the existing street lights in the area. Power will be provided to the street lights, creating greater visibility and security at night along the north portion of El Margarita Road and Spirit Drive. The City has received funds from the School District and Developers to offset the cost of construction. Bids are scheduled to be opened at the end of June, with construction expected to be complete by the end of July.
