### **Planning Commission Action**

At their July 9, 2008 Planning Commission meeting, the Commission recommended approval of a Development Agreement Amendment between the City of Yuba City and Harter Packing Company, as well as an amendment to the Harter Financing Strategy. This item will now be forwarded to the City Council for their review and consideration at their August 5<sup>th</sup> Council meeting.

### **Pool Reopened**

With the recent air quality issues, the GAP was closed. It has now reopened, but we are continuing to monitor air quality.

### **Cooling Center**

Due to high temperatures and smoke laden air, the City opened a 24 hour cooling center at the Senior Center. The City was prepared to shelter citizens overnight for several days. With cooler temperatures in the last 48 hours, we are going back to normal operational hours (7:00 am to 4:00 pm) at the Senior Center. Our thanks go to Parks & Recreation Director Brad McIntire, Senior Center Staff, Larry Bagley, Dr. Kinnison, Jennifer Broussard, Judy Mikesell, Paula Kearns and John DeBeaux for their support in helping the Parks & Recreation Department set up its first "Cooling Center".
