- **2010 Arbor Day Celebration:** Bridge Street School and Yuba City Parks and Recreation have teamed up to celebrate Arbor Day. All 5<sup>th</sup> grade students will be studying about the History of Arbor Day, decorating wooden birdhouses and examining various parts of trees through a magnifying glass. Additionally each child will receive a "branch pencil" and attend an assembly at Gauche Park on Tuesday, March 2<sup>nd</sup>, with Ty Whitcomb, the City's Arborist, and other staff explaining the importance of trees, what unique things are made out of trees and much more. Following the Assembly, students will receive lunch. This event assists in meeting goals required to maintain the City's Tree City USA status.
