Re: 2009-2010 CDBG Program (Community Development Block Grant)

The City of Yuba City is now accepting applications for CDBG funds to be allocated for 2009-2010 projects. While the official amount of funds to be awarded has not been released by HUD, historically, the City has received over \$400,000.

The goal of Yuba City's CDBG program is to benefit low- and moderate-income persons by providing decent housing and a suitable living environment as well as expanding economic opportunities for low-income persons. Eligible activities range from housing rehabilitation to public services as well as economic development and infrastructure projects. Project funding is a collaborative process that involves citizen participation as well as feedback from local service organizations and city departments. In accordance with CDBG citizen participation guidelines, you are invited to attend a **public meeting on Tuesday, March 17, 2009 at 2:00 PM** in the Sutter Room at Yuba City City Hall (1201 Civic Center Blvd., Yuba City). We will discuss overall CDBG program objectives as well as the 2009-2010 CDBG application process and review. You are strongly encouraged to attend this meeting if your organization will be requesting CDBG funding for FY 2009-2010.

For your convenience, we have enclosed a CDBG program fact sheet as well as an application form. Applications may be mailed or delivered to Roberta Kyle, City of Yuba City, 1201 Civic Center Boulevard, Yuba City, CA 95993. **Applications must be received no later than 12:00, Noon, Friday, April 3, 2009.**

If you have any questions regarding the application for CDBG funds or require additional information, please feel free to call at (530) 822-5135.
