Farmers Market;
every Friday from
June 20—August
29th, 5:00—9:00**

**Star Spangled
Centennial
Celebration; July
5th**

**Christmas
Centennial Stroll;
December 5th**

The face of Plumas St continues to change with new merchants opening downtown. The past 7 months has been truly a challenge for all businesses; and the coming months will continue the process of change. As we start the New Year, Phase I of construction is nearing completion. We are now able to really see what a great project the construction has created. Soon, we expect to see cars parked in front of businesses in the "new" section of Plumas St in early February. Everyone who has seen the results of the construction project is amazed at the change that this is occurring downtown. It will be magnificent. Now we must take a look at our building and

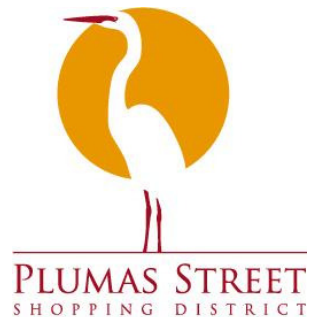

businesses and make sure that they are also magnificent. Let's polish glass, clean-up buildings and change displays. We have new businesses opening downtown such as Posh Décor will open early February. Jerry & Cindy Paine have leased the entire remainder of their building to a new business. There is interest in the property formerly occupied by "Simple Fitness"; which means that there is a lot of interest in doing business on Plumas St. Mayor Ramirez has expressed his desire to see the entire construction project completed by November 2008. His plan will be implemented this week with Phase II starting with night crews laying gas and electric lines and water lines in Plumas

St. The street will be closed at night and will be open for traffic during the day. Work has started on Church St for water lines, and will soon start on Teegarden for storm drains and water lines. Marketing has been directed toward informing customers that all businesses in the Plumas St Shopping District are open. Any new ideas for promotion are welcome. We must keep our customers informed about convenient parking and offer incentives for making the effort to come downtown. Let's all work together to make 2008 the best and most exciting year. Let's make Yuba City and the rest of the area proud of that place we call Plumas Street Shopping District. *Author—Don Covey, President DBA*

New Logo for Downtown

With the new streetscape design for downtown this brings a new identity to Plumas Street as the "Plumas Street Shopping District". The Downtown Business Association Board voted on a new design logo for downtown Plumas Street. With the new look

and Plumas meaning "feather" a logo design was created and adopted the Egret as the new downtown logo. As the Plumas Streetscape continues on Plumas Street more and more of the new logo will appear. For more info contact 755-1620.

Downtown Business Association Mission Statement:

"To preserve, promote and encourage aspiring businesses and provide a safe, clean center of culture and community life for residents and visitors alike"

"MUCH more than Business As Usual"

Plumas Street Shopping District businesses, shops and restaurants are open and ready to welcome you! Come and enjoy all that Plumas Street has to offer! Look for the new directional signs which will help identify convenient parking areas.

Please contact our Downtown Coordinator, Judy Sanchez at: (530) 755-1620 or send an email to www.yubacity.net or www.yubacitydowntown.com with any questions or assistance with temporary signage.

Thank you for your support of this exciting and important project!
