- (1) Increased sign area and/or height in excess of maximums are only allowed following the approval by the Planning Commission of a use permit (Sec. 8-5.7003). Prior to the issuance of the use permit the finding must be made that the sign is needed to advertise a business(es) that have limited visibility from the adjacent public roadway.
- (2) Up to two (2) contiguous building sides, provided each has frontage, may be used to calculate allowable sign area.
