Payment Arrangements

For customers requiring additional time to pay their City of Yuba City utility bill, payment arrangements may be available. Customers are allowed three *Promise to Pay* arrangements a year but the arrangements cannot occur consecutively. Payment arrangements must be established prior to the customer's final date to pay. To establish a payment arrangement the customer must come to the City of Yuba City Finance Department located at 1201 Civic Center Blvd to sign the agreement. There is a cost of \$21.00 for the arrangement that can be added to the customer's account.

For questions regarding payment arrangements please contact our office at (530) 822-4618.

Electronic Funds Transfer (EFT)

EFT, Electronic Funds Transfer, is a direct debit program that works with your bank on a recurring basis for a quick and simple way to pay your municipal utility bill. On the 15th of every month the total amount of your utility bill will be electronically debited from your checking or savings account. To apply, you need to fill out the [EFT Form](#) and attach a voided check from the account you wish to use, and return it to our office at 1201 Civic Center Blvd, Yuba City, California 95993.

To cancel the Automatic Bank Draft service please complete the [EFT Form](#) and return it to our office at 1201 Civic Center Blvd, Yuba City, California 95993. Faxed copies will not be accepted.

For more information any of the City's payment options please contact our office at (530) 822-4618.
