Mitigation

- Employed the Guide to Plant Appraisal by the Council of Tree and Landscape Appraisers
- Options
 - Pay a mitigation fee in the amount of \$17,276 to the City. City will plant trees at the new park or along the trail
 - Applicant may plant oak trees on-site
 - Combination of the two items above

Oak tree

- At its Sept. 26, 2018 meeting, the Planning Commission recommended against mitigation.

Mitigation

- California Environmental Quality Act
 - The solution must be roughly proportionality to the project
 - Mitigation may not be required where there is no impact or less than a significant impact
 - Mitigate to pre-project condition

Landscaping

- Along SR 20
- Along Spirit Way
 - New fencing along Spirit Way

CEQA

- An environmental assessment including an initial study and mitigated negative declaration was prepared and circulation to state and Tribal consultation
- Mitigation is incorporated into the conditions of approval

Recommendation

- Recommend that the City Council:
 - Adopt the environmental assessment including an initial study and Mitigated Negative Declaration and Mitigation Monitoring Plan
 - Adopt a resolution amending two acres of the General Plan land use designation from the Office and Office Park to Regional Commercial designation.

Recommendation

- Recommend that the City Council:
 - Introduce an Ordinance rezoning the site from the Office Commercial (C-O) to General Commercial (C-3) zone district, and waive the first reading.
 - Adopt a resolution approving Development Plan 18-01 to expand the dealership.
