# Background

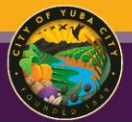

- The California Department of Transportation, Division of Local Assistance has allocated funding for the City to produce a Systemic Safety Analysis Report (SSAR)
- One requirement for the allocated State funds is a 10% local funds match
- The City issued a Request for Proposals on January 17, 2020 and the deadline for submittals was February 14, 2020.

# Analysis

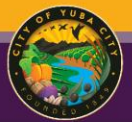

- The City received six proposals to develop a SSAR
- A Selection Committee evaluated each submittal based on SSAR guidelines established by the Department of Transportation
- TJKM Transportation Consultants submitted the top-ranked proposal
