Purpose:

City sponsorships reflects support of specific events by an organization. The intent is that the public will receive some intrinsic cultural, economic, educational, or entertainment value from the event.

Background:

On March 17, 2020, Council adopted an Amended Community Sponsorship Policy which specifies the following:

- All sponsorship requests, including in-kind donations, will be approved by the City Council at a public meeting.
- The City Council will approve long-term ongoing sponsorships as part of the annual budget adoption process.
- Council will allocate other discretionary funds quarterly.
- Staff will bring back requests for funding at the first Council meeting in the following months:
 - August, November, February, and May
 - If necessary due to time constraints, requests may be brought to Council as needed.

The following sponsorship requests were received from:

Beale Military Liaison Council

Founded in 1985, BMLC (Beale Military Liaison Council) is a non-profit 501(c)3 organization that raises funds and awareness for programs that support Beale AFB and make a difference in the lives of the men, women and their families stationed there.

BMLC maintains ongoing dialogue with Air Force leaders, elected officials and relevant community organizations to ensure Beale, the center for High Altitude Intelligence, Surveillance and Reconnaissance, or HAISR, remains viable and top of mind.

Their mission includes an unwavering commitment to enhance the quality of life for Beale Airmen and their families by improving their facilities, their welfare and morale and ultimately, their experience at Beale AFB and within our communities. Some objectives are directly accomplished through our fundraising efforts and the generous support of the communities surrounding Beale.

The Acting Company

The Acting Company is a community theater in the Yuba-Sutter area that was founded in 1984.

Up to 1983, hybrid Yuba City High School/community musicals were staged in the school's cafeteria. At the close of a production of Carousel, Curt Schroeder, Pat Hill, and Dexter Black, having grown tired of staging shows in unsuitable venues, joined in establishing Theatre '86, named for the target date for breaking ground on a performing arts venue for the Yuba and Sutter Counties area.

Pat Hill, the secretary of Lincoln Elementary School, staged melodramas in the cafeteria at Gray Avenue Intermediate School where Curt was teaching at the time. Dexter was a teacher at Lincoln and part of melodrama group.

Magic Theater, the children's arm of the company and long a stepchild to their main stage shows, acquired a program director and expanded the number of shows each year to seven. Summer acting workshops and Saturday classes are great successes, often with long waiting lists.

Alzheimer's Association

Held annually in more than 600 communities nationwide, the Alzheimer's Association Walk to End Alzheimer's® is the world's largest fundraiser for Alzheimer's care, support and research. This inspiring event calls on participants of all ages and abilities to join the fight against the disease.

While there is no fee to register for Walk, all participants are encouraged to raise critical funds that allow the Alzheimer's Association to provide 24/7 care and support and advance research toward methods of prevention, treatment and, ultimately, a cure.

Yuba-Sutter-Colusa United Way

The Yuba-Sutter-Colusa United Way is committed to creating long-lasting changes with measurable improvements for people in need within our three-county area (Yuba, Sutter and Colusa) by focusing our efforts on building blocks for a better life.

As part of that commitment, Yuba-Sutter-Colusa United Way invests in high-performing non-profit organizations that provide programs and services that align with our strategic priorities/impact areas in three ways:

Funds are allocated annually to Yuba-Sutter-Colusa United Way Partner Agencies through the Citizen's Review and Allocations Process.

Direct Targeted Investments: These investments are funds designated by donors to specific 501(c)3 non-profit organizations located anywhere.

Community Impact Grants: These grants are directed toward high quality local programs that benefit the citizens of Yuba, Sutter and Colusa counties. Funding is granted to any non-profit 501 (c) organization through a competitive application process each year. The current round of funding is directed to programs serving youth, the aging population and community homelessness.

Analysis:

Beale Military Liaison Council (BMLC) has established ongoing efforts to raise funds for the support of local Beale Air Force Base personnel and their families. FY19/20 Council approved a community sponsorship request for \$2,500. The BMLC lists Yuba City and other sponsoring agencies on their website at <https://bmlc.org>. The Beale Military Liaison Council's monetary sponsorship request for \$2,500 is an annual request for support.

The Acting Company brings together a very diverse cast to perform Shakespeare in the Park, September 17-19, 24-26 and October 1-3, 2021. The Acting Company's In-kind sponsorship request for \$4,400.00 will cover the Gauche Aquatic Park Facility Rental Fees.

Alzheimer's Association Walk to End Alzheimer's® is scheduled for Saturday, September 11, 2021 at 8:00 am for registration. The Alzheimer's Association In-kind sponsorship request for \$1,025.00 will cover the Gauche Aquatic Park Facility Rental Fees.

Many have taken opportunity for both to engage in a long lasting relationship with fond memories of our community when it is time for them to move to their next assignment. Many have chosen to retire here because of the community.
