Requirements for Service Connection

- March 19, 2019 City Council adopted a policy for providing water and/or wastewater connections outside of City limits with the following conditions:
 - Agree to Extraterritorial Agreement
 - Owner to pay all service connection fees
 - Council approval
 - Property owner to construct sewer service line

Recommendation

Adopt a Resolution authorizing the City Manager to execute an Extraterritorial Sewer Service Agreement with the property owner of 535 Sanborn Road for connection to City sewer following approval as to legal form by the City Attorney, subject to material terms.
