

CITY OF YUBA CITY  
STAFF REPORT

**Date:** December 21, 2021  
**To:** Honorable Mayor & Members of the City Council  
**From:** Community Services Department  
**Presentation By:** Rob Condrey, Parks & Grounds Superintendent

---

**Summary**

**Subject:** Submission of Recertification Application for Tree City USA Designation  
**Recommendation:** Adopt a Resolution authorizing the City to submit an application for recertification to the National Arbor Day Foundation for the City to continue its designation as a Tree City USA community  
**Fiscal Impact:** No cost to the City for recertification application. Designation is based in part on the City's community forestry expenditures.

---

**Purpose:**

To recognize the City's ongoing efforts to expand and maintain the City's urban forest.

**Background:**

For the past twenty-two (22) years, the City of Yuba City has earned the designation of a Tree City USA community by meeting the following criteria: 1) Conducting an annual Arbor Day observance; 2) Spending at least \$2.00 per capita on tree-related programs; 3) Having a tree ordinance, and; 4) Having a tree advisory board, which is the Parks & Recreation Commission. The Tree City USA designation recognizes the City's long-term dedication to improving the quality of life for the residents through its planning and maintenance standards.

**Analysis:**

The City's efforts to expand and maintain its urban forest remain ongoing and staff would like to ensure that the organization's efforts continue to be recognized. The Parks Division maintains approximately 1,228 trees in our parks and facilities and 10,750 City street trees. Staff is requesting authorization from Council to adopt a Resolution authorizing the City to apply for recertification to the National Arbor Day Foundation in Nebraska City, Nebraska, for consideration of the City continuing its designation as a Tree City USA community. Communities who have received the designation must apply for recertification on an annual basis to maintain their Tree City USA designation.

**Fiscal Impact:**

There is no cost to the City to submit the recertification request. Selection as a Tree City USA

community is based upon the annual expenditure on tree-related programs and services within a community, which includes labor costs, tree purchases and tree maintenance throughout our City parks and Landscape Maintenance Districts. In 2021, Yuba City spent a total of \$292,646 on community forestry expenditures.

**Alternatives:**

Do not request recertification.

**Recommendation:**

Adopt a Resolution authorizing the City to apply for recertification to the National Arbor Day Foundation for consideration of the City continuing its designation as a Tree City USA community.
