

# 60-Day Trial Program - Overnight Vehicle Parking Area

April 19, 2022

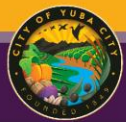

**Presentation By:**  
**Diana Langley, City Manager**

# Background

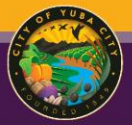

- Several programs have been implemented to assist the homeless with sheltering options
- One area that remains to be addressed is “vehicle campers”

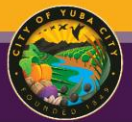

# Analysis

- City and County have collaborated to evaluate several potential options for vehicle campers
- Staff recommends a 60-day trial period for a safe overnight parking area located on County-owned property at 850 Gray Avenue (K-Mart site)

# Analysis

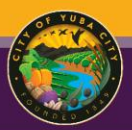

# Analysis

- Site Operations
  - Operate from 7:00 pm to 7:00 am each day
  - Security guard present while vehicles are parked in the designated area
  - Vehicles must leave the property each morning and must have registration with the DMV
  - ADA restrooms and a handwashing station will be provided
  - Security camera, surveillance sign, flashlights and fire extinguishers will be supplied

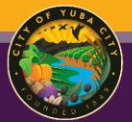

# Analysis

- Yuba City Police Department and Sutter County Sheriff's Office will maximize parking enforcement within the community and direct vehicle campers to the trial area
- Once the extent and need for overnight vehicle parking is determined, staff will bring recommendations for longer-term options to Council for consideration, as well as an agreement with the County to outline the responsibilities of each party

# Fiscal Impact

- City's Share - \$11,600 – Account No. 951281 (Permanent Local Housing Allocation Funding)
  - Security guard services
  - Fencing
  - ADA restrooms and handwashing station
- Additional nominal costs to assist disabled vehicles

# Recommendation

Adopt a Resolution approving the establishment of a 60-day trial program to provide an overnight vehicle parking area for homeless individuals and families at County-owned property located at 850 Gray Avenue in Yuba City.
