Project Exhibit

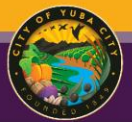

Proposed Improvements

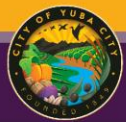

- Hot-Mix Asphalt Overlay
 - $\frac{3}{4}$ " aggregate
 - 0.20' thick
- Edge grinds at existing gutter pans
- Conform grinds at side streets
- Adjust utility lids to grade
- Replace striping and pavement markings

Fiscal Impact

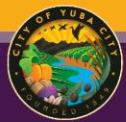

- Construction costs
 - City share - \$206,317.80
 - County share - \$148, 260.45
- Construction Management/Contingency
 - \$25,000
- Total City share – up to \$231,317.80
- Account No. 1051 (Road Rehabilitation)

Alternatives

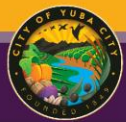

- Do not enter into the agreement with the County
 - Will leave the City's portion of Sanborn Road in a state of disrepair
- Modify the contingency amount for the agreement

Recommendations

Adopt a resolution authorizing the Public Works Director to execute a Cooperative Agreement with the County of Sutter for roadway improvements associated with the City's portion of Sanborn Road in the County's FY2020-21 Road Overlay Project
