WWTF Outfall Diffuser – Location Map

WWTF Outfall Diffuser – SRF Application

- In order to apply for a State Revolving Fund loan, the State Water Resources Control Board requires the City to adopt two separate Resolutions
 - Designate an authorized representative to act on behalf of the City
 - Confirm the City's intent to following program requirements
- Submitting an application does not commit the City to accepting a loan
 - Council will be able to consider all loan amounts, terms and conditions, and fiscal impacts at a later date (Spring 2023)

WWTF Outfall Diffuser – Recommendation

- Adopt a Resolution designating and authorizing the Public Works Director or designee to execute the Clean Water State Revolving Fund Construction Financial Assistance Application and Amendments or Changes thereto, and to certify financing agreement disbursement on behalf of the City for the WWTF Effluent Outfall Diffuser Relocation Project upon future Council approval.
- Adopt a Resolution stating the City's intent to comply with all conditions of the State Water Resources Control Board's Clean Water State Revolving Fund Loan Program Reimbursement Resolution requirements for the WWTF Effluent Outfall Diffuser Relocation Project.
