California Elections Code Sections 10221, 10222

This petition is **very** important and should be handled **very** carefully.

- 1) The first step you should take in completing your petition is to decide if you will personally be the circulator or if someone will circulate it for you. Remember, whoever circulates the petition must personally witness each person's signature. Also remember, if you have someone else circulate the petition for you, he/she must complete the "Certificate of Circulators" as he/she is registered. The circulator may obtain signatures for the nomination papers of any candidate at any time no earlier than July 14th or later than August 7th (or August 13th if an incumbent does not file by the August 9th deadline). **Circulator shall be a registered voter of the City of Yuba City** at the time he/she circulates the paper.

- 2) The second step is to obtain the signatures. Signatures qualify if they are registered voters of the City of Yuba City (signatures and the residence address must match the information on the voter's registration card or affidavit on file at the Sutter County Registrar of Voters Office). Candidates are required to obtain 20 valid signatures of registered voters residing in the City of Yuba City to qualify for the ballot. The Nomination Paper contains spaces for 30 signatures and it is **recommended that the candidate obtain all 30 signatures** in case some of the first 20 signatures do not qualify.

No voter may sign more than one nomination paper for the same office. Each seat on the City Council, however, is considered to be a separate office. (Elec. Code §§10220, 10224, 10225, 10230, 10407)
