

Mexican Train Domino's

Mexican Train Dominos, also known as simply Trains. The object of the game is for a player to play all of the dominos from his/her hand onto one or more chains, or "trains", emanating from a central hub or "station". The game's most popular name comes from a special optional train that belongs to all players.

Come and try your luck at Mexican Train Dominos with other Sr. Center participants! If you haven't played in a while, other participants will help you!
