**My name is Gerry Mains. Born in Rigby Idaho 11/30/53. I've been a California resident since 1956. I raised my 3 children in Paradise where I started my business in 1983. Mains Landscape Maintenance. I have been in Yuba City since 2007 though I did graduate Marysville High in 1971 and 2 years at Yuba College. I have been married to Dinah Tupas Mains for 6 years.**

**I believe the constitution, both federal and state to be the law of the land. I would like to see local government (city and county) making decisions that affect our families. I believe we are seeing state government crossing a line and not allowing people at the local level to govern themselves. I strongly support the Bill Of Rights.**
