YUBA CITY

STATEMENT OF CANDIDATE FOR YUBA CITY CITY COUNCIL

SHON L. HARRIS

Occupation: Incumbent / Retired Highway Patrol Commander

Age: 53

These are challenging and uncertain times. Now, more than ever, we need to focus our efforts on what is really important to get us to the other side of this pandemic, budget crisis, and divisive civil uncertainty. I thoroughly believe in our ultimate success! As a City Council member and your current Mayor, I have spent my first term working alongside the rest of the council and many public and private stakeholders to make Yuba City even better. I would like to continue serving by putting the experience and relationships gained over the last four years, along with 32 years of public safety leadership experience, back to work for you.

As a fourth-generation Yuba City resident, father, grandfather, and retired law enforcement professional, I am deeply vested in seeing our community thrive. Your safety and economic resiliency are top priorities and lay the foundation of a thriving community. The efficacy of the time and effort required to realize these goals depends on leaders being sincere, accessible, open-minded, and balanced.

With the valued trust and support represented by your vote, it will be my humble pleasure to once again serve you, your family, and our community as a Yuba City Council Member.
