## Water Conservation Guide Summer 2022

**EVERY  
DROP  
COUNTS**  
**YUBACITY**

## MANDATORY REDUCTION

**Water Shortage Stage 3:  
"Severe Shortage"**

- 20% mandatory conservation goal
- Irrigation limited to Mondays & Thursdays
- Water rebates still available
- Free website & app for water meter monitoring

## Water Rebates

The City of Yuba City is proud to offer water rebates\* to qualified customers in order to reduce the financial impact of water-efficient household upgrades.

### WATER REBATE PROGRAM

-  **WaterSense® Labeled Showerheads**  
UP TO \$20 REBATE
-  **WaterSense® Labeled Toilets**  
UP TO \$100 REBATE
-  **WaterSense® Labeled Smart Irrigation Controls**  
UP TO \$75 REBATE

[www.yubacity.net/rebates](http://www.yubacity.net/rebates)  
[publicworks.admin@yubacity.net](mailto:publicworks.admin@yubacity.net)

Just submit the application and a copy of your receipt by email, mail, or at City Hall—it's that easy!

## Stage 3 Mandatory Water Violation Enforcement

### Enforcement Begins June 1, 2022

*These measures are essential to ensure that we have enough water resources for the upcoming year. We appreciate your water conservation efforts!*

#### Water conservation violations include the following:

- Irrigation outside of designated times
- Excessive watering resulting in gutter flooding
- Using a hose without a shutoff nozzle
- Washing down hard surfaces such as sidewalks and driveways
- Using a non-recirculating fountain
- Not repairing leaks in a timely manner

Per Municipal Code Section 6-6.20., violations of emergency water restrictions are subject to the following enforcement measures:

1. First violation: A **written warning** of such violation.
2. Second violation: **\$50 surcharge** which shall appear on the next monthly water billing.
3. Third violation: **\$100 surcharge** which shall appear on the next monthly water billing.
4. Fourth and subsequent violations: **\$250 surcharge** which shall appear on the next monthly water billing.

### REAL-TIME WATER USE MONITORING

Yuba City water meters were recently upgraded with digital cellular meter encoders. This technology will allow you to receive faster, more accurate information about water usage, leaks, and potential maintenance issues. Monitoring your water conservation efforts has never been easier!

Your new meter puts the knowledge in your hands with up-to-the-minute data delivered directly to you via a consumer engagement website and a smartphone/tablet app. We encourage everyone to sign up for this free and incredibly useful service.
