**Fiscal Impact:** \$75,000 to Account No. 100-43409 (OTS Selective Traffic Enforcement Grant) – No City match required.

---

**Purpose:**

To accept a no-match grant from the California Office of Traffic Safety to further the City's traffic safety efforts.

**Background:**

In January 2017, the Yuba City Police Department submitted for the Selective Traffic Enforcement Program Grant offered by the California Office of Traffic Safety. In May 2017 the Department received award notification for the grant with authorization to receive funds in the amount of \$75,000. No matching funds are required by the City of Yuba City to accept the grant. This grant runs in accordance with the Federal Fiscal year 10/01/17-09/30/18.

**Analysis:**

For many years, the Department has had a positive working relationship with the California Office of Traffic Safety. Again this year, we were selected for funding to maintain an aggressive stance towards those individuals who continue to operate a motor vehicle in our community while under the influence of alcohol or other drugs. This grant will allow the department to continue to combat impaired drivers in our community. While having an impaired driving portion, this grant also allows for other directed enforcement operations. These operations deploy officers within the City with

a primary goal of reducing injury collisions through targeting primary collision factors such as speed and red light enforcement in areas with a high frequency of accidents.

The goal of the grant is to reduce the number of persons killed and injured in traffic collisions. "Best practice" strategies will be conducted on an overtime basis. The funded strategies include DUI saturation patrols, speed enforcement, and red light and distracted driver enforcement. These strategies are designed to earn media attention thus enhancing the overall deterrent effect. The California Office of Traffic Safety has designed these operations and the funding for them to be done in addition to our daily duties, thus making an additional impact on traffic safety.

In addition to overtime funding, the grant will cover the cost of wrapping a police patrol car as a taxicab (\$3,744). This is part of the Know Your Limit Program which educates the public on making a choice to "Choose Your Ride", between either taking a taxi safely home or riding in a police car to jail. This program continues the education efforts on the hazards of drinking and driving. An additional \$5,581 is designated for educational materials and DUI checkpoint supplies.

The grant will also fund training and certification for one officer to become a Drug Recognition Expert (DRE). DRE personnel enhance the Department's ability to investigate and assist in prosecution of DUI drug offenders. DUI arrests have risen sharply in recent years and remains a priority for the police department in reducing alcohol and / or drug related collision deaths and injuries.

**Fiscal Impact:**

The City will be reimbursed \$75,000 from the California Office of Traffic Safety. No matching funds are required for this grant. Funds will be drawn down through Account No. 2167-61430 (\$62,566) for personnel overtime costs, No. 2167-62801 (\$3,109) for travel and training, and No. 2167-63801 (\$9,325) for direct costs associated with the grant.

**Alternatives:**

Do not accept the grant and / or direct staff to research alternatives.
