**Yuba City News**

**National Night Out – Tuesday August 6<sup>th</sup>**

National Night Out is a community-public safety awareness-raising event held the first Tuesday of August. The event has been held annually since 1984 and is sponsored by the National Association of Town Watch in the United States and Canada. The event is meant to increase awareness about police programs in communities, such as drug prevention, town watch, neighborhood watch, and other anti-crime efforts.

Members of the Yuba City Police and Fire Departments, CHP Officers, and McGruff the Crime Dog will be attending about a dozen or so events, along with the Mayor and City Council. We have YCPD Officers, CHP Officers, and hopefully the Fire Department visiting each location. For more information on National Night Out events in Yuba City, please contact Officer Jason Parker at the Police Department at 216-6942.

## Retirement of Yuba City Police Canine Paco

Paco retired from service with the Yuba City Police Department on July 15<sup>th</sup>. Paco and his handler, Officer Josh Jackson, served as the Yuba City Police Department's K-9 team since June of 2008. Paco is an 11 year old Belgian Malinois originally from Holland. As a police canine, Paco was certified for both patrol duty and narcotics detection.

During their time together, Josh and Paco were involved in 132 deployments, 48 narcotic searches, 20 public demonstrations, and 3 bite apprehensions. Paco will now enjoy a more leisurely life with Officer Jackson and his family. Thank you Paco for your dedicated service!

## Animal Services Volunteer Program

Fifty-three interested persons attended the Animal Services Volunteer orientation on Tuesday July 23<sup>rd</sup>. Presentations were made by the Animal Shelter staff and Rescue Paws regarding expectations of volunteers and some successful adoption stories.

If you missed the opportunity to attend the orientation, more will be offered in August – details to follow.

To see the animals available for adoption at the Sutter Animal Shelter, please visit the following website: <http://www.petharbor.com/>. Contact Animal Services Manager Diana Barrett at 822-7375 for more volunteer information.

Hello Members and friends of Yuba-Sutter, attached is a re-publish of a GREAT column that ran in the Appeal Democrat a few months ago. I was able to contact the author and reprint it here with his permission. It was written by *Maury Robertson who writes the weekly Perceptions Column.*

### **The Best Thing about Yuba-Sutter**

When we moved here over twenty years ago, my wife and I were struck by how the natives consistently told us that the greatest virtue of Yuba-Sutter was that it was so close to other things. Pick your pleasure: shopping, fishing, big city life, camping, dining—anything you wanted was only an hour away.

In the movie, *O Brother Where Art Thou*, Everett (George Clooney) is broken down in some backwater town. He needs a part for his car and some Dapper Dan (his favorite hair cream).

In a slow drawl, an infuriatingly patient shopkeeper explains that everything will take two weeks to arrive.

Everett finally explodes. "Well ain't this place a geographical oddity: two weeks from everywhere!" That's how people think of Yuba-Sutter. A geographical oddity. An hour from anywhere.

It is true that Yuba-Sutter offers attractions in all directions: North to Chico for some college atmosphere. West for a day in the big city or time at the ocean. South for a play or a meal in Midtown. East to the Sierras for camping.

But the natives left something out. I notice the omission when I bike around the Buttes, or hear the honkers fly overhead, or when my eyes pop at pink prune blossoms in a sea of yellow mustard. It hits me when a great horned owl flies low beside my car at night, or I pull a striper from the Feather River, or a crop duster gracefully seeds a field.

I think about it when I get stuck behind a tractor and thank God I'm not in Bay Area traffic, or when I stick something in the ground and practically watch it grow before my eyes, or when I go to a high school football game, or walk through an uncrowded store and bump into old friends.

I have started to suspect that the natives always talk about all the great things being an hour away because they don't want to let the secret out:

**The best thing about Yuba-Sutter is right under our feet.**
